

CSEC Compass

Self-paced CSEC exam prep for Forms 4–5

Students practise at their own pace with instant feedback from quizzes and labs. Every quiz answer maps to a lesson, so each student knows exactly what to revise next. Parents and teachers can trust it: structured coverage, no guessing where a child stands.

What's inside each of the 10 subjects

- Readable lessons + interactive labs (Play tab)
- Knowledge-check quizzes + 100 extra practice questions
- Timed mock exam with auto-submit and answer review
- CSEC SBA guide with marking pointers and checklist
- Progress tracker: weak topics ranked weakest-first, pass-rate trend

Mathematics
